District retains sole ownership of all pipe and fittings from the water main up to and including the water valve and meter. Customer is responsible for the service line beyond the meter. Customer is liable for damage to the District's facilities caused by the customer's use. Applicant shall be required to accept such conditions of pressure and service as are provided by the distribution system at location of requested service and to hold the District harmless for any damages arising out of low or high pressure conditions or interruptions of service. Customer accepts the pressure provided at the meter even if that pressure is below 20 psi. Customer is responsible for consumption due to leaks on the customer's side of meter.

Applicant agrees to pay all charges within 30 days after billing date up through the date termination of services is requested. Late payments are subject to a penalty and/or interest. District reserves the right to terminate services in the event of non-payment which may result in additional deposit and fees.

Is there a private well or spring under pressure also serving this property?    **Yes**     **No**

Mail this application with deposit and service charge to: HCSD; PO Box 158; Cutten CA 95534 or bring into our office at: 5055 Walnut Drive; Eureka CA 95503. Call (707) 443-4559 for assistance.

### **Additional Information**

All valves must be closed before service can be turned on at the property. The District representative will turn service back off if it appears that water continues to run somewhere in the property.

**Spring or Well:** If a private spring or well under pressure exists on the property, a double check valve assembly will be required according to the California Administrative Code, Title 17, Article 3, Section 7603.

**Security Deposit:** The security deposit will be refunded to your account after 1 year of on-time payments or when the account is closed, whichever comes first. An additional security deposit may be required if service is discontinued for non-payment.

**Returned Check Fee:** Checks returned by the payer's bank (for insufficient funds, closed account, stop payments, etc.) must be redeemed in cash, money order or cashier's check for the full amount plus \$20.00 service fee.

**Monthly Billing:** Utility accounts are billed every month and are due upon presentation. The bill becomes delinquent 20 days after the billing date and subject to a 10% penalty. If payment is not received after 45 days from the billing date a final notice will be mailed indicating a shutoff date for non-payment. If payment is not received after 60 days from the billing date service will be shut-off. To restore service that has been shutoff for non-payment all past due charges, current charges, penalties, and a reconnection fee (\$40 for the first occurrence \$65 thereafter) must be paid.
